COMPANY DETAILS

ARCELOR MITTAL NIPPON STEEL (INDIA)

Introduction: AM/NS India is a joint venture between the world's leading steel companies, ArcelorMittal and Nippon Steel. Established in December 2019, post-acquisition of Essar Steel, they are an integrated flat steel manufacturer - from iron ore to ready-to-market products. With over 600 steel grades - many substituting imports, they serve an array of contemporary industries (agriculture, automotive, infrastructure, defence, energy, etc.) and contribute to an Aatmanirbhar Bharat. Company's portfolio encapsulates hot rolled coils / sheets / plates, cold rolled coils / sheets, galvanized coils / sheets, pre-painted galvanized coils / sheets, pipelines, etc. Company ascribes to advancement with sustainability and envision creating 'Smarter Steels, Brighter Futures'.

Their vision has nestled in empowering communities by providing employment to more than 1.6 Lakh individuals and enriching millions of lives across the country through our CSR interventions. They are inspired by ArcelorMittal's XCarb programme and Nippon Steel's Zero Carbon initiative and stand in

alignment with India's vision to be carbon-neutral by 2070. Our recent partnership with Greenko for renewable power and storage facility is a notable step in that direction. Their MoUs with National Small Industries Corporation and National Skill Development Corporation are devised to bolster the MSME ecosystem in India. Company prioritizes health and safety and foster a culture of innovation by placing research and development at the heart of their operations. They are a committed partner to the nation, and our avid growth story will be purposeful, inclusive, and sustainable.
