## DEPARTMENT OF TRAINING, PLACEMENT, CONSULTING, INNOVATION & RESEARCH (DTPCIR)

An Initiative towards Youth Empowerment operates as an integral part of

BNYPC (BITT National Youth Placement Cell) established by the Birsa Institute of Technology (Trust) in association with BITT Polytechnic, provides equal opportunities for all college students, regardless of economic background. It focuses on skill development, industry exposure and employment, bridging the gap between education and careers through the BITT Group of Institutions.

DTPCIR focuses on Professional and Career Development through The B-CREDIT (a program run according to the nectar call of freedom as per the National Education Policy) and The NPERG (based on cutting-edge research, placement, and growth in world-class companies across the globe, in multiple disciplines of education), making it "An Initiative Towards Youth Empowerment".

### SECURE METERS LTD

#### Who we are

Secure is a family owned and managed business. Our mandate is to grow a sustainable and responsible business that endures for generations. Our focus is to help users of energy in homes and workplaces reduce energy waste.

## What we do

We are a multi-national solutions provider for revenue management, power quality and energy efficiency. We enable users to save money, reduce energy consumption and facilitate comfortable living. We provide products and services that can be used to measure energy, inform of its use, and help control its use.

## Where we operate

Secure operates globally. More than 6,500 people work with us across India, United Kingdom, Australia, United Arab Emirates, Malaysia, Singapore, Sweden and Italy. We now have products installed in over 50 countries.

## How we reached here

Secure started in 1987 in Udaipur at the advent of the electronic age. We were able to create the world's first commercially viable energy meter. In the last 30 years we have continued to develop and grow. Our expertise is now spread over the entire energy stream.
